

eBill Overview

eBill is a safe, simple, accurate and efficient way for employers and producers to manage HM Stop Loss invoice processes. Designed using best-in-class practices, eBill is a web-based application providing 24/7 accessibility providing invoice presentation, storage and payment solutions to improve operational efficiencies.

Why eBill?

- **Accuracy:** No overpayments or rework
- **Simplicity:** No billing templates to maintain
- **Efficiency:** No need to send additional headcount documentation (speeds the payment process and eliminates errors)
- **Flexibility:** Use SaveOnly to view current and historical invoice data and reports, or SavePay to add seamless payment arrangements
- **Security:** Information and payment transactions are encrypted to ensure they cannot be accessed or replicated by unauthorized parties
- **Support:** Live customer service is available to help you get started or if you have questions

FEATURES

- View invoices and adjust payments
- Download, print and store invoice, payment and record information
- Automatically calculate monthly premium
- Set up payment due and payment status reminders
- Access HM Stop Loss and United Concordia Dental products with single sign-on
